Please Carefully Read The Following Paragraphs.

We, as parents/legal guardians of the child-participant, give our permission for him/her to participate fully in this sport's activity. We give our permission to take said participant to a doctor or hospital and authorize medical treatment, including but not in limitation to emergency surgery or medical treatment. We understand that we will be contacted if at all possible and that our family physician will be contacted if possible, but in the event that he/she cannot be reached the CHANT Coach or a Current Board Member may choose a reputable physician.

For the safety of all parties concerned, prior to playing in any sport with the CHANT organization a CHANT Medical Liability Release Form and a completed Sports Physical need to be on file with the CHANT Organization. If CHANT does not have proof of these documents you will be asked to provide them before allowing your child to practice or play.

Please indicate that you have read and will comply fully with the above stated paragraphs by printing and signing your name below, along with today's date in the presence of a Texas State Notary. The CHANT organization and the Board Members appreciate your cooperation.
