

CHANT Chargers

S.A.L.T. Student Athlete Leadership Team

"You are the salt of the earth..." Matthew 5:13

It is the goal that our students be influencers of the world, rather than hiding from it, or ignoring it. We desire for them to find a way to influence it without being influenced by it. As salt is needed and put to use, so are Christian youth needed and need to be put to use. Our students are to be examples and instigators of action and involvement through service, virtue, and morality. As our students strive to be the salt of the earth it is our goal that they will glorify God in everything they do.

Membership:

Students must be of high school age and must be nominated by a coach based on their leadership ability, desire to serve, and most importantly exhibiting quality character traits. Students must be currently playing at least one sport with CHANT.

Goals:

- Be involved in the decision making process within the CHANT organization whenever possible.
- Help the coaches and the booster club in a variety of ways.
- Take an active role in ministering to younger athletes through clinics and skills training.
- Community service within the CHANT organization and in the community at large.
